

2023 CSVS Young Investigator Award TERMS OF REFERENCE

ELIGIBILITY

The CSVS Young Investigator Award is presented to any member of the Canadian Society for Vascular Surgery researchers with less than 7 years in clinical practice for any deserving project in **clinical** or **basic science research pertaining to the field of vascular surgery**.

PROPOSAL MECHANISM

One (1) blinded copy and one (1) authored copy should be submitted to the Chair of the Research Committee. The manuscript should be no longer than 4 pages (references excluded) double spaced, justified, in Garamond or Times New Roman. A maximum of two tables and 1 figure may also be added. The manuscript should include:

1. Covering letter (including title of project)
2. Project with the following headings:
 - a. Proposal Summary
 - b. Research Question and Objectives
 - c. Backgrounds
 - d. Methods
 - i. Study Design/Participants/bench model
 - ii. Primary and Secondary outcomes
 - iii. Data analysis
 - e. Relevance to Clinical Practice
 - f. Relevance to future research
3. Budget
4. Ethics Approval Status
5. Other Funding

DEADLINE

Submissions are to be received by March 31, 2023.

SELECTION PROCESS

Review, prioritization and ratification of the candidates will be made by the CSVS Research Committee. * **Please note that only one submission per award will be accepted.**

AWARD AND PRESENTATION

A cheque in the amount of \$5,000.00 will be forwarded to the recipient once the winning submission is selected. The winner will be announced at the 2023 annual meeting and must present an update at the 2024 CSVS annual scientific meeting.

All submissions should be sent to the Chair of the Research Committee Dr. Derek Roberts by email: csvs@vascular.ca.
