**CSVS Application Form for MOC Approval**  
**Approval of Accredited Group Learning Activities:**  
**Section 1 of the Framework of CPD Options of the Maintenance of Certification program**

The CSVS is in compliance with the **New National Standards for Support of Accredited CPD Activities (in effect January 1, 2018)**. Please forward the completed application form and all supporting documentation to the CSVS. Keep a copy for your records. (DO NOT send this form to the Royal College)

**Important information before you begin:**

Group Learning Activities approved under Section 1 must be developed or co-developed by a [physician organization](#).

**Additional Considerations:**

MOC section 1 – Accredited Group Learning (including conferences, symposia, seminars, and workshops) are approved for a maximum of one year from the start date of the activity.

Accreditation will not be granted retroactively.

The organization that developed the activity is responsible for maintaining all records (including attendance records) for a 5-year period.

**Application steps:**

Please allow 6 to 8 weeks for review of your application. Refer to the [Royal College CPD Accredited Standards Group Learning Activities \(Section 1\)](#) as you complete this application and prepare the attachments. A summary of the review will be emailed to the physician organization including the outcome of the assessment of the CPD activity, the number of accredited hours, and the CPD activity accreditation statement that must appear on all accredited CPD activity program materials and certificates of participation.

## Before you submit your application – have you completed and attached the following?

Has a needs assessment been completed? Attach a summary of the completed needs assessment

Have you attached the overall and session-specific learning objectives?

Does the preliminary and final program or brochure include:

- The activity schedule, topics, and start and end times of individual sessions?
- The activity learning objectives for the overall activity and individual sessions (if applicable)?

Have you attached any other materials that will be used to promote or advertise the activity (for example, invitations, email announcements etc.?) (If applicable)

Have you attached the sponsorship and/or exhibitor prospectus developed to solicit sponsors/exhibitors for the activity (if applicable)?

If sponsorship has been received for this activity, have you attached the written agreement that is signed by the CPD provider organization and the sponsor?

Does the activity budget show receipt and expenditure of all sources of revenue for this activity including:

- A list of funding sources, including an indication of whether sponsorship was received in an educational grant or in-kind support?
- A list of expenditures?
- The expected number of registrants?

Have you attached the template for the certificate of attendance that will be provided to the participants? *Remember that physician organization must maintain attendance records for five years.*

Do the evaluation and feedback forms include:

- A question on whether the stated learning objectives were met?
- A question for participants to identify the potential impact to their practice?
- A question for participants to identify if the session was balanced and free from commercial or other inappropriate bias?
- A question on which CanMEDS Roles were addressed during the activity?

Have you attached a sample conflict of interest form and an outline of the process for the collection, management, and disclosure of conflicts of interests which includes a description of how this information is collected and disclosed to participants? *Required regardless of how the activity is funded.*

Has the Chair of scientific planning committee attested that he/she agrees with the content provided in the application package? – see section D

The Royal College has created a CPD activity toolkit to help developers of educational activities who want to create quality programs. Each topic in the toolkit includes explanations, practical examples and other resources. <http://www.royalcollege.ca/rcsite/cpd/accreditation/cpd-activity-toolkit-e>
