

Call for Abstracts & Awards
Canadian Society for Vascular Surgery Annual Meeting
Kelowna, BC September 13-14, 2019

We welcome submissions for the 2019 CSVS Annual Meeting in the following areas:

- basic science and clinical research in vascular disease
- vascular diagnosis and imaging
- endovascular technology
- education and innovation in surgery
- other related topics

This announcement invites all members of the Canadian Society for Vascular Surgery to submit abstracts for the upcoming meeting. CSVS members are encouraged to consider co-submission of abstracts with colleagues in cardiac surgery, radiology, cardiology and vascular medicine, should the members feel the abstract content is pertinent to the CSVS membership.

DEADLINE FOR SUBMISSION OF ABSTRACTS IS APRIL 8, 2019

CSVS will once again be holding a poster session. Submitted abstracts will be considered for either poster or oral presentation. Please see the abstract submission guidelines for specific requirements. All authors are required to submit abstracts and disclosure forms via email to the CSVS at csvs@vascular.ca

Abstract submissions will be evaluated by the 2019 Scientific Program Chair, Dr. Heather Gill and the designated review committee. **All authors listed on an abstract must complete a conflict of interest disclosure form and submit it along with each abstract. No abstract will be accepted for evaluation until the disclosure forms are on file.**
