Vascular Surgeon - Locum

(Start date July 1, 2021)

The Regional Vascular Program at Royal Victoria Regional Health Centre in Barrie, ON is seeking an additional Vascular Surgeon.

The Regional Vascular Program at RVH serves North Simcoe Muskoka LHIN with a catchment area of over 500, 000 residents providing comprehensive care in two primary sites: Royal Victoria Regional Health Centre and Orillia Soldiers Memorial Hospital. The regional service also provides care to patients from all regions of the LHIN and plays an essential role in the support of other regional programs including stroke prevention and regional renal dialysis program.

The successful applicant will be expected to show evidence of interpersonal and collaborative skills and initiative to further advance the clinical and academic productivity of the regional vascular service.

Highlights of the program include:

- Hybrid operating suite at Royal Victoria Regional Health Centre
- New onsite Vascular Lab at Royal Victoria Regional Health Centre
- Newly renovated outpatient clinic
- Outreach operating suite at Orillia Soldiers Memorial Hospital
- Outpatient rehabilitation program for patients with peripheral vascular disease
- Onsite physician assistant to support inpatient care
- 8-bed surgical step-down unit
- 16-bed intensive care unit

Applicants must be certified F.R.C.S.C. in Vascular Surgery and be eligible for an Ontario license through the College of Physicians and Surgeons of Ontario (CPSO). The anticipated start date will be July 1, 2021 or a mutually agreed upon date.

Closing Date: Open until filled
