

**2019 BAYER-CSVS RESIDENT RESEARCH AWARD
TERMS OF REFERENCE**

ELIGIBILITY

The Bayer - CSVS Resident Research Award is presented to a Vascular Surgery Resident currently enrolled in a Canadian Vascular Surgery Residency Program and who is not in their final year of residency training. This \$10,000 award is provided to the most deserving project in **clinical** or **basic science research pertaining to Vascular Surgery or Vascular Medicine**.

PROPOSAL MECHANISM

One (1) blinded copy and one (1) authored copy should be submitted to the Chair of the Research Committee. The manuscript should be no longer than 4 pages (references and cover letter excluded) double-spaced, justified, in Garamond or Times New Roman. A maximum of two tables and 1 figure may also be added. The manuscript should include:

- I. Covering letter
- II. Project with the following headings:
 - a. Proposal Summary
 - b. Research Question and Objectives
 - c. Backgrounds
 - d. Methods
 - i. Study Design/Participants/bench model
 - ii. Primary and Secondary outcomes
 - iii. Data analysis
 - e. Relevance to Clinical Practice
 - f. Relevance to future research
- III. Budget
- IV. Ethics Board Submission Status
- V. Other Funding
- VI. Name and Curriculum Vitae of Research Supervisor(s)

DEADLINE - Submissions are to be received by **April 15, 2019**

SELECTION PROCESS

All applications will be reviewed by the CSVS Research Committee and three of the best submissions will be selected for a 'runoff' competition by oral presentation at the 2019 Annual Meeting.

AWARD AND PRESENTATION

The finalists will be invited to provide a short presentation of their research proposal at the Annual Meeting in the Bayer-CSVS Research Award 'runoff' Competition. The winner will be announced at the 2019 CSVS annual dinner. The award winner must present an update at the 2020 CSVS annual scientific meeting. **All submissions should be sent to the Chair of the Research Committee Dr. Luc Dubois by email: csvs@vascular.ca**
